EDUCATION

Master Of Computer Application(MCA)
New Delhi,Delhi

01/2023 - 01/2025

Bachelor Of Science
Maharshi Dayanand Saraswati University, Ajmer(Rajasthan)

07/2018 - 07/2021

PERSONAL PROJECTS

Youtube Clone (09/2023 - Present)
- Built a YouTube clone app with React.js and Tailwind CSS
- featuring a clickable interface, search functionality, and a collapsible/expandable side navigation bar for an immersive user experience.
- https://youtube-clone-by-vs.netlify.app/

PaintedPerks-an art selling website (11/2023 - Present)
- Creating a captivating React-powered art marketplace, merging creativity with code. Crafting a user-friendly platform for art lovers to discover, admire, and purchase unique masterpieces
- https://paintedperks.netlify.app/

My Portfolio (01/2023 - 01/2023)
- My portfolio is a responsive portfolio website deployed on Netlify, showcasing proficiency in HTML, Bootstrap, and JavaScript. Hosted on GitHub for version control and collaborative development.
- https://vandananawhal.netlify.app/

WORK EXPERIENCE

Front End Developer Intern
Pro Gen X

12/2022 - 08/2023   *jaipur,india*
Achievements/Tasks
- Collaborated on multiple web development projects, enhancing my practical skills in creating responsive, user-friendly interfaces.
- Developed and maintained user interfaces using HTML, CSS, and JavaScript

SKILLS

Front End Development | Javascript Library

Responsive Design | CSS frameworks

Web Development | Command Line Proficiency

Version Control

CERTIFICATE

Namaste React Course (08/2023 - 10/2023)
I completed the "Namaste React" course, a comprehensive program that provided in-depth knowledge and practical skills in React, a widely used JavaScript library for building user interfaces. This course covered key concepts, such as component development, state management, routing, and interaction with APIs.
